\* Consuming raw or undercooked animal foods may increase your risk of a food borne illness, especially if you have certain medical conditions. Consult your physician or public health officer for further information.

Please speak to the manager regarding any known food allergies prior to ordering. Miss Shirley's Cafe will use reasonable efforts to prevent the introduction of the allergen of concern into the food through close attention during our sourcing, preparation and handling processes. However, it is ultimately up to the guest to use his or her individual discretion to make an informed choice regarding whether to order any particular items. Miss Shirley's Cafe cannot guarantee that allergens may not have been introduced during another stage of the food chain process or, even inadvertently, during preparation. We do not have separate kitchens to prepare allergen-free items or separate dining areas for guests with allergies or intolerances.

# FOOD FACTS

The Guinness World Record for most eggs cracked in 1 hour was set by Corey Perras from Canada! He cracked 3,031 eggs using only one hand!

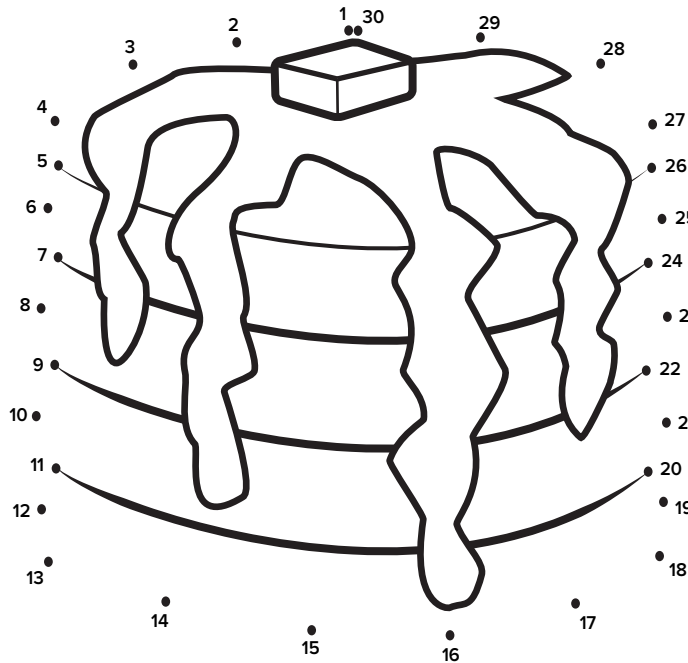

In 2015, the world record for bacon eating was broken by Matt Stonie in Florida. He ate 182 slices of bacon in 5 minutes! That's 6 pounds & 7,600 calories of bacon!
